Save the Date for the 8th Annual Accident Benefits Joint Defence/Plaintiff Program

The practice of accident benefits continues to raise complex issues and numerous challenges as we head into 2017. Join us on April 13, 2017, for an in depth analysis of current issues in accident benefits from both a Plaintiff and Defence perspective by leading practitioners in this area. Whether you are plaintiff counsel, defence counsel, or an insurance professional, this program will provide you with the insight and tools to navigate this ever changing area of practice. Come and hear about the latest on the constitutional challenge, considerations in the new definition of catastrophic impairment, LAT advocacy, practical updates in priority and loss transfer and much more.
