SUMMER STUDENT PROGRAM

WHO WE ARE

Zarek Taylor Grossman Hanrahan LLP is one of Toronto's pre-eminent insurance defence firms, with a diverse practice in all areas of insurance law. We have appeared in all levels of court including the Supreme Court of Canada. We pride ourselves in providing client-focused solutions to complex legal problems.

OUR PROGRAM

We view our summer students as future lawyers at the firm. We provide extensive training to our students and hands-on practical experience. Under supervision, students are given early opportunities to carry files and have direct client contact.

Our students work directly with all levels of lawyers, including senior partners during their tenure. As a summer student at ZTGH, you will be exposed to the other practical aspects of a litigation practice by meeting and dealing with clients and other lawyers, drafting pleadings, motion materials, factums and legal memoranda.

Student enthusiasm and talents are always welcome at social events. We have an open door policy throughout the office to provide guidance to students. We respect, listen to and give our students the chance to maximize their abilities.

WHO YOU ARE

We are seeking conscientious candidates with a strong academic foundation, as well as a strong desire and aptitude for advocacy.

Please submit your resume, together with transcripts in one PDF document, to the attention of the Summer Student Committee at careers@ztgh.com. Please quote "2018 Summer Student Application" in the subject line of your email application.

Your application must be received by 5:00 pm on Friday, March 30, 2018 in order to be considered
